

## Abide, O Lord and Savior

(121, 134, 138)

1. A - bid e, O Lord and Sav - ior, A - mong us with Thy grace,  
 2. A - bid e, O blest Re - deem - er, And guide us with Thy Word,  
 3. A - bid e with us in splen - dor, Thou pure and heav'nly Light;

That Sa - tan harm us nev - er, Nor we to him give place.  
 That we may now and ev - er En - joy Thy good-ness, Lord.  
 Gird us with truth, sur - ren - der Us not to er - ror's night.

4. Abide with Thy rich blessing, Nor may it ever cease;  
 The grace we are possessing, O Lord, in us increase!

5. Abide as our Protector, Thou Hero in the fray;  
 Let Satan not be victor, And keep the world at bay!

6. Abide with us forever And grant us steadfastness;  
 We pray Thee, Lord, deliver Our hearts from all distress!
